**STUDY** is the centrepiece outreach of FRIENDS that brings to fulfilment our mission of **Educating the Young and Building Caring Communities**. We believe that helping the young will also help their distressed families, giving them hope for a brighter future and a way to get out of the cycle of poverty. A twin effort to engage the scholars to spiritual formation will ensure their holistic development, while it is expected that family members will be part in this transformation experience.

Dear Friend,

We want to take this opportunity to introduce to you **SEND THE UNFORTUNATE DESERVING YOUTH TO SCHOOL ("STUDY")**, a program that aims to provide elementary, secondary and college scholarships to the deserving youth of our community, the FRIENDS of the Divine Mercy ("FRIENDS").

**STUDY** is the centrepiece outreach of FRIENDS that brings to fulfilment our mission of **Educating the Young and Building Caring Communities**. We believe that helping the young will also help their distressed families, giving them hope for a brighter future and a way to get out of the cycle of poverty. A twin effort to engage the scholars to spiritual formation will ensure their holistic development, while it is expected that family members will be part in this transformation experience.

This is **STUDY**'s first year and we want to raise funds to award all of **eighteen (18) scholarships** to our member beneficiaries. This will cover for tuition and other fees (*in government and/or state colleges and universities*), supplies and uniforms and transportation and food allowance. **We invite you to consider contributing to our program and sharing with us in any and all ways to reach our goal, which must be accomplished before the school year 2009-2010 opens in June.** 100% of donor gifts to the scholarship fund are dispersed to students. Although we are still in the process of receiving our tax-exempt status, your contribution will help us move forward in many ways.

You may visit the FRIENDS website at [www.friendsofthedivinemeracy.org](http://www.friendsofthedivinemeracy.org) for more information about our community, our vision and mission and all our various activities. You may also contact the undersigned directly for any questions or concerns that you may have.

Attached are the **scholars' profiles** for your consideration as well as the **STUDY GIFT FORM** for your convenience. Please consider sharing with us and asking friends to do the same. **BE THE HOPE of these unfortunate but deserving children!**

We sincerely thank you for your gift and may our Lord continue to bless you and your family abundantly!

Truly yours,

  
**Sis. Honey Jardinico-Oasan**
